

# CM — Curb Mount Polycarbonate Skylight

# CMA — Curb Mount Polycarbonate Skylight with Aluminum Ring

**THE SENTRY SERIES**

The Kennedy Sentry Series features Palsun™ Co-Extruded Polycarbonate Plastic Sheet. The co-extruded polycarbonate glazing is 30-times more impact resistant than acrylic skylights, 250-times more impact resistant than glass, and resists temperature extremes from -60° below zero to +250°. The co-extruded polycarbonate has superior weathering performance and resists the effects of solar UV radiation, significantly increasing the life of your Sentry Skylight.

## STANDARD FEATURES:

- Predrilled nailing holes with neoprene dot for fast and easy installation.
- Unit simply mounts on existing curb, site-built curb or Kennedy Model AC or ACW curb.
- Oversized outer dimension to fit almost any existing curb and allow for flashing material.
- Smokey grey outer dome and clear inner panel are standard.
- Single and triple domes and a diffused inner panel are optional.
- 10-year limited warranty against defects in workmanship or materials.
