SAFETY RATED

Tempered Glass Skylights

Self-Flashing (TSFG)

Curb Mount (TCMG)

Kennedy Skylights manufactures high performing, quality glass skylights in both curb or deck mount models to accommodate all roof pitches and roofing systems. Our energy efficient **Tempered Glass Series** is a great choice for warmer climates or locations that do not experience severe weather. For hurricane prone areas, upgrade to our **Impact Glass Series**.

TEMPERED GLASS FEATURES:

- Dual pane, argon filled glass with LoE-240 coating
- Undergoes a specialized heating process that creates a strong, resilient glass that, if it should crack, will fracture into very small pieces versus larger glass shards
- Meets performance standards for air infiltration, design pressure, water penetration and load testing
- High performance ratings for light transmission, solar heat gain, U-factor, and fading transmission
- Advanced technology dual-seal silicone system with patented stainless steel spacers

KEY DESIGN FEATURES:

- .062 extruded heavy-duty aluminum frame
- Welded corners for added strength and leak-proof barrier
- Powder coated bronze exterior for additional durability
- Easy-release, continuous hinge secures skylight frame to curb for quick removal and designed to divert water away from skylight
- Full perimeter condensation gutter prevents water infiltration

WARRANTY:

- 25-Year non-prorated limited warranty on insulated glass against seal failure
- 10-Year limited warranty against defects in workmanship and materials

Certifications

- Certified to meet performance criteria as defined by AAMA/CSA/WDMA 101/I.S. 2/A440
- Florida Building Code Approved
- Class V2 Fire Rated
- NAMI Participant (Quality Assurance Program)

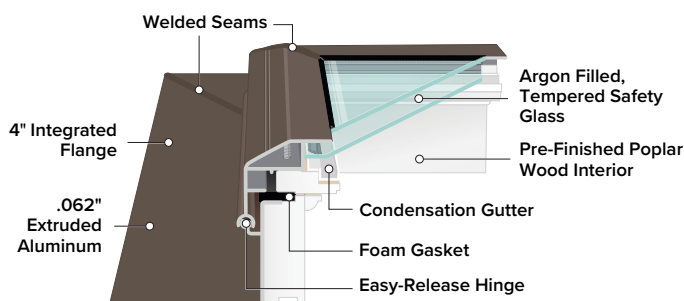

Tempered Glass Skylights

TSFG Self-Flashing Fixed Glass

| 2" | 4" | 6" | Curbs

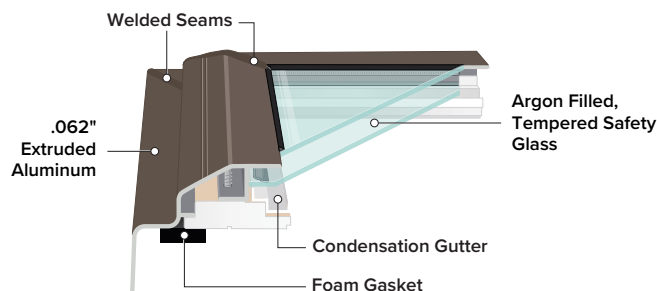

- LoE-240, argon filled tempered glass
- Meets the stringent requirements of the Florida Building Code (FL15592.5)
- Choice of 2", 4" or 6" high curb
- Drywall return sized for both 1/2" and 5/8" drywall
- .062" extruded aluminum with welded corners
- Integrated 4" flange with pre-drilled screw holes
- Powder coated bronze exterior
- Pre-finished poplar wood interior
- 25-Year non-prorated limited warranty on insulated glass against seal failure

TSFG MODEL SIZES

Size	14.5"x 14.5"	14.5"x 14.5"	22.5"x 22.5"	22.5"x 30.5"	22.5"x 46.5"	46.5"x 22.5"	22.5"x 69.5"	30.5"x 30.5"	30.5"x 46.5"	46.5"x 46.5"
Rough Opening	30.5"	46.5"	22.5"	30.5"	46.5"	22.5"	69.5"	30.5"	46.5"	46.5"

TCMG Curb Mount Glass

No Curb Included

- LoE-240, argon filled tempered glass
- Meets the stringent requirements of the Florida Building Code (FL15592.4)
- Available in standard sizes to easily replace old skylights from other manufacturers including Velux
- .062" extruded aluminum with welded corners
- Oversized to fit most curbs
- Kennedy aluminum curbs available - AC or ACW
- Powder coated bronze exterior
- 25-Year non-prorated limited warranty on insulated glass against seal failure

TCMG MODEL SIZES

	1430	1446	2222	2230	2246	4622	2269	3030	3046	4646
Size	14.5"x 14.5"	14.5"x 14.5"	22.5"x 22.5"	22.5"x 30.5"	22.5"x 46.5"	49.5"x 25.5"	25.5"x 72.5"	33.5"x 33.5"	33.5"x 49.5"	49.5"x 49.5"
Outside Curb†	17.5"x 33.5"	17.5"x 49.5"	25.5"x 25.5"	25.5"x 33.5"	25.5"x 49.5"	49.5"x 25.5"	25.5"x 72.5"	33.5"x 33.5"	33.5"x 49.5"	49.5"x 49.5"

†TCMG models are manufactured 1" larger than outside curb dimension to allow for flashing material.
